

4th Annual

Regional Stream Cleanup

The **Bangor Area Storm Water Group** is seeking individuals and teams to participate in our Annual **Regional Stream Cleanup**. This event is a coordinated effort to involve area citizens and businesses in removing litter from our local waterways. In the process we will help beautify our communities, improve the water quality of our local water bodies, and increase awareness about the impacts of litter and storm water pollution.

Come out and show your community and neighborhood spirit! Volunteers will be meeting at the following places:

Bangor:

April 25, 2009 – Penjajawoc Stream

1:00 pm, meeting at Hannaford on Bangor Mall Blvd

Contact: Fields Pond Audubon Center, 989-2591

**Regional Stream Cleanup
Daily Schedule*:**

- **Morning** – Meet with the teams for mandatory safety training at designated time and location.
- **The Cleanup** – Cleanup activities at designated areas under the direction of a trained team leader. Volunteers will be provided with safety and cleanup equipment at their work site.
- **Lunchtime** – Teams gather back for a thank you celebration and cookout.

**for most cleanup events. Contact your Stream Cleanup Coordinator for details about your town's event.*

To register or for more information, please contact your local Cleanup Coordinator listed above.
