Type of Child Care Slot Requested: Private Subsidized ASPIRE Voucher

If subsidized, indicate if you wish your child to be considered for special needs or very low income priority status.

- Special Needs (Children with a specific diagnosis/disability which, without intervention, may impede or impair the attainment of developmental milestones.
- Very Low Income (Children from very low income working families whose gross income, adjusted to family size, does not exceed 100% of the Federal Poverty Guidelines.)
