

**Choice House Chem Free Living Agreement
Aroostook and Gannett Residents**

The Choice House was designed by students who wish to live in an academic environment without the presence of chemicals, i.e. alcohol, illegal drugs. This is a student initiated and student monitored lifestyle choice. Throughout the year, students in this section will meet to discuss their commitment to this lifestyle. Students who choose to live in the Choice House agree to the following guidelines:

1. No alcohol, other drugs or tobacco will be brought into Choice House section by me, my guests/visitor(s) or any other person(s).
2. I will not be involved in any alcohol/drug related disturbances in the Choice House.
3. I will not enter the Choice House while under the influence of alcohol or drugs.
4. I will monitor and confront persons violating these community norms and report these incidents to Residence Life staff.
5. I understand that the policies pertaining to alcohol apply to all residents and guests of the Choice House, regardless of age.

I understand that under the conditions of my Room and Board License, I may be relocated to another building if my behavior is not in compliance with these guidelines.
