

Commuter Campers!

Welcome to the 2009 **Creative Design at CAD Camp!**

3-4 Sunday Afternoon Registration

Commuter campers should plan on arriving between 3:00 and 4:00 pm on the Sunday camp opens. Please do not arrive early since we will only plan to register campers between 3:00 and 4:00. It is very important for us to meet commuter campers on Sunday. This gives us a chance to review health forms, and provide daily arrival information and schedules, including drop-off and pick-up times and locations, to all campers.

8:15 Morning Drop-off

All commuter campers please join the resident campers at the designated dining facility before 8:30 mornings for the counselors to do an attendance check. Timely arrival is important so staff can start programming promptly. Some campers prefer to arrive early, and purchase breakfast at the dining facility to eat with the resident campers.

If you are late and the camp group has left the dining facility, please go to 318 Boardman Hall. However, this presents a significant inconvenience to the camp staff (even if your first session is at Boardman Hall) as it requires more frequent attendance checks to determine who is and is not participating that day.

Those driving themselves are not allowed to leave between 8:30 and 4:30 except by special arrangement including parental permission. They must get a parking pass at student services in the Union for the week.

Lunch

You can either bring a lunch or purchase a lunch at the Marketplace.

4:30 Pick-up

Commuter campers who are to be picked up at 4:30 will be at the camp dormitory (follow the signage). On Friday, July 10, 2009, please join us from 3:00-5:00 for our closing barbecue and pick up campers at the Maine Bound Adventure Center on Sebago Road behind the Union. A map is on the back. NOTE: the signage will still point to the dormitory, not to the Maine Bound Adventure Center! Please follow the map on the reverse side.

Evening Activities

All campers are welcome to participate in any of the camp activities that take place after 4:30 without charge (except sleeping!). One night will be movie night at the Spotlight Cinema on Stillwater Avenue in Orono, and tickets will be purchased by the camp. Other Monday-Thursday evening activities include open CAD laboratory from 6 – 8 pm and evening use of the Student Recreation and Fitness Center for swimming. Any additional activities will be scheduled by the Maine Bound counselors.
