## Transfer Fact Sheet

This information is provided for matriculation from the **COMMUNITY COLLEGE OF RHODE ISLAND** to the Surveying Engineering Technology program at the University of Maine.

**Transfer Conditions:**

- Students will receive transfer credits only for courses passed with a grade of “C-” or better, except that ENG101 course substitutions must be passed with a grade of “C” or better.
- Course substitutions only apply to School of Engineering Technology programs. Students transferring to other programs within the University of Maine will require re-evaluation of courses.
- Numerous other courses may transfer for Art & Creative Expressions elective and Cultural Diversity elective. The transfer credit must be accomplished on a course by course basis.
- Students must take and complete at least 30 credits at the University of Maine.

**Apple Tuition:** New England residents qualify for the New England Board of Higher Education reduced tuition rates. (This is approximately one-half of the out-of-state tuition.)
