

# UMAINE LENDER LIST

## 2008-2009

The University of Maine conducted a comprehensive evaluation process to select the following list of lenders. Through this process, all respondents were rated on various factors and the following lenders demonstrated superior customer service. Choosing a lender is an important decision, so we recommend that you research potential lenders to determine which one best fits your needs. You are not required to select a lender from our lender list, however, we strongly encourage you to borrow from the same lender each year. The borrower benefits listed below are accurate as of 4/30/08, but are subject to change.

Please select a lender and provide the lender information on the back of your UMaine Award Letter or online through WebDSIS. Please note that loan processing for 2008-2009 will begin in July. You will receive an e-mail via FirstClass once your loan has been processed. This e-mail will provide you with information about your loan, including what to expect next.
