

UMAINE LENDER LIST

2009-2010

University of Maine students borrowed from 52 lenders during the 2008-2009 academic year. The list below includes our most commonly used lenders. Choosing a lender is an important decision, so we recommend that you research potential lenders to determine which one best fits your needs. You are not required to select a lender from our lender list, however, we strongly encourage you to borrow from the same lender each year. If you wish to choose a lender other than those listed below, please contact our office.

Please select a lender and provide the lender information in the Stafford Loan Application page in MaineStreet. Go to *Self Service > Student Center*. Under *Finances*, click *Accept/Decline Awards* and select the *2010* academic year. On the award page, click the *Stafford Loan Application* link.
