

Maine Water Conference 2008

Evaluation Form

We value your input in helping us make this event even better. Please drop this form off at the registration table, or on the table at the rear of the session room or return to:

Mitchell Center, University of Maine
5710 Norman Smith Hall, Orono, ME 04469;
or fax to 207/581-3320.

THANK YOU!

Which of the following best describes your overall reaction to the conference?

- Great. It covered all of the appropriate issues in a thoughtful and thorough way.
- Good. It was useful and instructive overall, but some improvements could still be made.
- Fair. The quality and/or content of the presentations was not consistently high.
- Disappointing. It fell far short of my expectations.

Please rate each session that you attended (1-low to 10-high)

- ___ Poster Session ___ Exhibits
- ___ Plenary Session
- ___ Session A: The Legislature - Current & Future Agendas
- ___ Session B: Anthropogenic trace contaminants
- ___ Session C: Information Systems
- ___ Session D: Watershed Mgt - Local Perspective
- ___ Session E: Public Law 2007 Chapter 353
- ___ Session F: Groundwater Threats
- ___ Session G: Impacts of Climate Change
- ___ Session H: Low Impact Development
- ___ Session I: Tools for Watershed Managers
- ___ Session J: Maine's APA - Roadmap for Rulemaking
- ___ Session K: Evaluation Tools for Outreach Projects

How can we improve the plenary and session presentations?

What topics/issues would you like addressed in future conferences?

Have you attended the conference previously?

- Yes No

If yes, did you prefer the auditorium set-up for the plenary/exhibit/poster sessions?

- Yes No

Why / Why not?

Should the conference be moved to a different venue?

- Yes No

Other comments? _____

How did you receive information about the Maine Water Conference?
